Yippee Tree's Coming Back!

Tree is returning for her 5th summer onboard Fingal of Caledonia! We are all delighted as it means more fab food for us all next season!

In the meantime Tree is staying in Fort William with Andy who many of you met this season. They are staying here until the new year for Tree's first Hogmanay in the Highlands.

If you missed the opportunity to buy one of Tree's cookbooks we do have both in stock - *Feast of Fingal* and *Anyone for Seconds*. The price is £5 including free post and packing.

Many thanks to our many photo contributors, especially Weezie Huntington from America who brought 11 of her friends all the way to Scotland to help celebrate her BIG Birthday! Thanks also to John Freiyer and Brian Findlay for your pictures.

Dolphin Watching in the Moray Firth

Highlights of 2009

This summer our Wildlife Weeks saw large numbers of dolphins in the Moray Firth. Around 20 individuals were seen on Thursday 11th June 2009 many of which were mother and calf groups. Some even leapt out of the water!

Friendly people!

Carolyn, Linda and Nix are still at the end of the phone (or email) in the office ready to take your call and answer any queries you may have. They have been really, really busy taking 2010 bookings so we have included a 2011 Schedule in case your choice in 2010 is already booked.

here in the Highlands of Scotland!

Martin had his first experience of wearing a kilt last week. It must have been good as he has promised to buy one for addressing the haggis next season!

Martin

Rob has headed back to the South of England to be with girlfriend Katie who just happens to be Martin's niece! Hopefully he will return to help with staff training in 2010.

Rob & Bracken

Big Ed has moved to Edinburgh while looking for work on a Cruise Ship. So meanwhile he will be out and about in the city so watch out girls!!

Skye led several of our Walk the Great Glen weeks this autumn. Guests really enjoyed her walks and she'll be back with us on the Great Glen Way next summer.

Skye

Our instructor, bosun, handyman and general "jack of all trades" **Alan** will be back next summer I am sure.

Tree

Tree is currently living in Fort Willism for a while until the New Year when she will be heading to Costa Rica to learn Spanish while staying with a local family!

Swampy Dave is returning to his Ski Patrollers Job at Nevis Range Ski Centre for the winter. He is currently using his practical skills helping with upgrade work on Fingal.

Swampy, Dave

We're delighted he'll be back relief skippering next year.

Add a new person here, we might need to remove Andy to make room. Photo e-mailed to you.

Davey and Cheryl are expecting a new baby this winter so Davey is busy finishing their new house! We'll book him in for 2010 whenever Cheryl & family can spare him!
